**Response to Notification of Defective Response**

The Commissioner of Patents  
and Trademarks,  
Washington, D.C. 20231,  
U. S. A.

Dear Sir:

This Communication is in response to the Notification of Defective Response.

The Notification indicates that Applicant is required to submit two items:

- (1) The Oath or Declaration of the inventors is not properly executed.

With our letter of June 28, 2001 (copy enclosed), there was submitted to the PTO a Declaration and Power of Attorney executed by all inventors, with the exception of Diane M. Gajewczyk. A copy of the Declaration enclosed for reference.

It would appear that we omitted to forward a Declaration and Power of Attorney executed on behalf of Diane M. Gajewczyk by the other inventors. It is assumed that this is the document which is missing. Applicants are preparing a Petition under 37 CFR 1.47(a) with respect to the latter document.

(2) A Sequence Listing in computer-readable form, a Sequence Listing in paper copy and an Amendment directing its entry into the specification.

With our letter of June 28, 2001, as noted therein, there was enclosed a Sequence Listing in hard copy and computer readable forms along with a Voluntary Amendment directing entry of the Sequence Listing into the specification. It would appear that this material may have become mislaid in the PTO.

A further copy of this material is enclosed.

A copy of the Notification is enclosed. It is submitted that the defects of the response have been overcome.

Respectfully submitted

---
